† CATHEDRAL MUSIC PROGRAM †
2023 - 2024

“The full and active participation by all the people is the aim to be considered before all else; for it is the primary and indispensable source from which the faithful are to derive the true Christian spirit; and therefore pastors of souls must zealously strive to achieve it, by means of the necessary instruction, in all their pastoral work.”
- Constitution on the Sacred Liturgy, n. 14.

The Cathedral Basilica of the Sacred Heart, the mother church for the Roman Catholic Archdiocese of Newark, strives to be a model and beacon of worship, fellowship, and service with the celebration of the Sacred Mysteries central to its identity. The parish community of the Cathedral Basilica is devoted to service within and beyond itself, as it strives to deepen its own commitment to the Lord and to announce the Good News of salvation in Christ.

The Cathedral Concert Series supports this mission in providing a season of high calibre musical events for the Newark community. The magnificent architectural setting of the Cathedral Basilica along with its splendid acoustics and a world-class pipe organ, combine to stimulate the listeners’ spirit to greater artistic heights.

The mission of the Cathedral Music program is to lead and uplift the community in sung prayer by embracing of the assembly’s call to full, conscious and active participation. While affirming and celebrating the unique diversity of our community, the program acknowledges the Church’s rich heritage of music, and strives to compliment it with the vast resources of music from the current day.

The Cathedral Choir offers a wide spectrum of choral music spanning several centuries, languages and cultures. Comprised of both professional and amateur singers, the membership represents many walks of life and a diversity of Christian religious traditions. The Cathedral Choir sings regularly at the Sunday Noon Mass as well as for other special events taking place in the Cathedral Basilica. Membership in the choir is open to interested singers by audition - contact the Cathedral Music Office.
